

## THE RIVERTON FIRE CO., INC.

Station 241 • Riverton, New Jersey 08077

*In an effort to raise the funds necessary to providing excellent fire protection to the residents and business owner's of Riverton Borough, we are sending this second mailing of our Contributing Membership Letter to afford those who have not given an opportunity for such. If you have already given, we thank you for your generosity and look forward to your continued support. If not, please do so.... every little bit counts.*

Residents and Business Owners of Riverton Borough:

There are many things we take for granted in this world: personal health, general happiness, a supportive family and long-lasting friendships to name only a few. Let's not add to the list the devotion and dedication of time freely given to our town, by our "all volunteer" fire department.

Unlike many towns, Riverton does not have to endure the hardship of increased tax dollars necessary to support a "career", or paid, fire department. Each active member of our fire department has completed over 130 hours of rigorous training at the Burlington County Emergency Services Training Center and countless additional hours through our department's in-house training program. Therefore, the quality of the service we provide to our town is exceptional.

However, none of this would be possible if it weren't for the generosity of those who have contributed in the past and those who continue to contribute. A small donation of \$25.00 goes a long way, but be as generous as these tough economic times allow. Please send your contribution in the enclosed envelope now. Every dollar counts. Help us continue the American tradition of protecting our town through volunteerism.

Rest assured that should you ever be alerted by the sound of your alarm, with your home or business quickly filling with smoke and heat, we will answer "the call" and make whatever sacrifices are necessary to protect your most valuable assets. Simply because ... *it is what we do!*

Respectfully yours,

C. Scott Payne,  
President - Riverton Fire Company
